## Navigating Permanent Establishments: corporate tax and global mobility strategies (webinar 3 of 3: Asian edition)

Join us for the third edition of our webinar series on permanent establishments (PEs), where we will address international corporate tax and global mobility considerations specifically tailored for the Asian market.

### Main Topics:

- Overview of permanent establishments in Asia
- Employee mobility considerations: key factors to consider when sending employees to work in Asia.
- Country-specific insights: explore the unique challenges and tax considerations in China, Vietnam and Taiwan from a global mobility and corporate tax perspective.

### Sub-topics:

- Taxation applicable to permanent establishments in China, Vietnam and Taiwan
- Immigration issues: navigating immigration requirements and compliance.
- Employee wage and income tax: managing income tax obligations for employees working abroad.
- Social security and employment law: understanding the interplay between social security, employment law, and global mobility.

This webinar is designed for tax professionals, HR managers, international project managers and executives who are looking to enhance their understanding of global mobility and corporate tax considerations in Asia. Don't miss this opportunity to gain valuable insights and practical advice from top-tier tax advisors.
